

# **POLICY FOR VOLUNTARY FREEZING / BLOCKING OF TRADING ACCOUNTS**

## **Invexmart Financial Services Private Limited**

### **1. Introduction**

This Policy outlines the facility provided by Invexmart Financial Services Private Limited (“Invexmart” or “the Company”) to allow clients to voluntarily freeze or block their trading accounts if they observe any unauthorized or suspicious activity.

### **2. Purpose**

The purpose of this policy is to protect clients against unauthorized or fraudulent transactions and provide a clear mechanism for freezing and unfreezing accounts.

### **3. Scope and Applicability**

This policy applies to all clients registered with Invexmart.

### **4. Procedure to Freeze / Block the Trading Account**

Requests must be sent through email to [stoptrade@invexmart.in](mailto:stoptrade@invexmart.in) or via SMS/call from the registered mobile number to +91 9551515154.

### **5. Procedure to Unfreeze / Unblock**

Clients may request unfreezing using the same communication channels. Verification of the client’s identity is mandatory prior to unfreezing.

### **6. Duration and Conditions**

Freezing shall remain active until the client submits a request for unfreezing. Blocking shall be considered long-term unless explicitly revoked by the client.

### **7. Clarifications**

Freezing does not deactivate the client’s UCC and does not restrict Invexmart’s risk management actions as required under applicable regulations.

### **8. Policy Review**

The said Policy shall form part of the Invexmart Risk Management Policy and shall be reviewed on a yearly basis or as required under regulatory guidelines.
